## NEGRO FAMILY IS SENT TO A JURY

Old Feud Bursts Out Anew on Sunday—Crowbars and Pistols.

Before Magistrate Angle, of Henrico county, were brought yesterday William Field and his sons, Leroy and William Henry, all colored, charged with assault and battery upon one James Thomas Jonathan, also colored. The Field trio were sent on to the grand jury.

The case grew out of an old family difference, which has existed for years. According to the testimony Jonathan appeared at the home of the Fields on Sunday last and cursed and otherwise abused the Fields. He, it is said, was drunk and refused to leave the place. He went to the barn, refusing to go farther. The quarrel lasted several hours, and the father sent word to his sons to aid him in sending the man away. Before they arrived it is alleged that the elder Field struck Jonathan with a crow-bar, and the warrant charged him with felony. His sons arrived, and in the meantime Jonathan had gone home and gotten his pistol. When he returned one of the younger Fields hit him and knocked him down. The trouble lasted some time longer, but when nightfall came the family retired to their home.

Jonathan then swore out three warrants, charging the Fields with assault and battery. The warrants were issued for Jonathan, charging him with carrying concealed weapons and trespassing. The magistrate sent the case to the grand jury on the grounds that the evidence was of such a conflicting nature that

the case was one upon which a jury should pass.

## Bettie Washington Again.

Bettie Washington, an old habitue of the Police Court, was before the court again yesterday morning on two charges. She was charged with being drunk and disorderly and with failing to show up at the proper time. An attachment was sent out for her, and when she was found the justice put her down for \$5 and costs. Bettie went down.

## Liquor Cases Continued.

Two liquor cases were called by Justice John yesterday morning and both continued for further testimony. The first was that of A. F. Harris, who was alleged to have sold liquor on Sunday. The second was that of John Walsh, who was also charged with dispensing intoxicants on Sunday. The two cases went over to October 5th. This is the second continuance.

## Motley Takes an Appeal.

In the Police Court yesterday morning William Motley was heard on the charge of keeping a disorderly house on West Broad Street. The evidence was strong enough in the eyes of Justice John to convict, and Motley was fined the sum of \$25. He took an appeal and the case was certified to the Hustings Court.

## The Missionary Guild.

The Missionary Guild and Woman's Missionary Society of the Grace Street Baptist Church will hold their first meeting of the season in the Sunday-school room this afternoon at 4:30 o'clock. ## THE FIRST RALLY HERE

Senator Daniel and Congressman Lamb to Address People at Academy.

## MANY LADIES WILL ATTEND

Music and Oratory Will Entertain the Audience—Chairman Ellyson Presides.

Arrangements are rapidly being completed for the first great Democratic rally of the campaign in this city, which is scheduled for next Wednesday night, at which time Senator John W. Daniel, widely known as an orator and debater, and Congressman John Lamb, of this district, will make addresses.

The City Democratic Committee's Executive Committee met yesterday at noon at the office of Chairman J. J. Ellyson, in the Powhatan Hotel to complete arrangements for the rally. The academy has been secured and will be appropriately decorated and furnished for the occasion. Ladies will be especially invited and it is expected that a large crowd will be present. Governor Montague and family will probably occupy a box. On the stage will be many prominent local and State Democrats.

City Chairman James B. Doherty will call the gathering to order, and will introduce State Chairman J. Taylor Ellyson, who will preside. Mr. Ellyson will introduce the speakers. The speakers will be preceded by eulogizing music by a brass band, and selections will intersperse the speeches.

It is probable that Congressman Lamb will make the opening speech, which is expected to be brief, Senator Daniel being the especially invited speaker. Senator Daniel has not made a formal speech yet in the campaign, and will probably make a strong and carefully prepared presentation of the issues of the campaign.

The Executive Committee of the City Committee will meet again on Friday night to complete arrangements for the speaking. There were present yesterday City Chairman Doherty, Committee Chairman Winston, West and Burke, and State Chairman J. Taylor Ellyson.

## CHARGE OF MURDER

Negro in Henrico Jail Will Probably be Tried for Killing Fellow-Workman.

George Baker, colored, died yesterday at the contractors' camp at the settling basin, probably from the effects of a gash inflicted with an axe, in the hands of Emanuel Nash, now confined in the Henrico county jail awaiting trial on a charge of murder.

The crime is alleged to have been committed on September 4th, in the door of one of the shanties, and according to the evidence was perpetrated in the heat of anger before Magistrate Lewis. Nash struck Baker with an axe, inflicting a severe wound in the head.

The trouble grew out of the fact that Baker, who was sitting in a doorway, would not move and give the other negro room to pass, whereupon he procured the instrument and inflicted the wound. Magistrate Lewis sent the negro on to the grand jury, and he has been in jail since that time, waiting to appear before that tribunal.

The crime occurred yesterday of the death of Baker, and seemed little concerned over the matter. Dr. Deas, county coroner, viewed the remains. He decided that a coroner's inquest and post-mortem was necessary. This will be held to-day.

## LADIES' MASS-MEETING.

M., to be presided over by the Rev. George H. Wiley. This is a mass meeting of all ladies who will come, especially housekeepers, without any denominational lines whatever. The object is to discuss and create all of the interest possible on such an occasion.

## IS NOT A CANDIDATE.

## Mr. O'Flaherty Decides Not to

## Stand for Attorney-General.

Hon. D. C. O'Flaherty, of this city, formerly of Warren county, who has been several times mentioned as a probable aspirant for the Democratic nomination for attorney-general, and has had the matter under consideration, announced yesterday that he had determined not to be a candidate. He will take the stump for Parker and Davis, and will make a number of speeches as soon as his appointments have been made out.

The retirement of Mr. O'Flaherty leaves Attorney-General Anderson as the only candidate in the field for the attorney-generalship. Hon. Samuel W. Williams, of Wythe, has been mentioned as a possible aspirant, but has not yet formally announced his candidacy.

## Attorney-General Anderson Will

## Speak for Parker and Davis.

Major William A. Anderson, Attorney-General, is busy preparing to argue in the Supreme Court at the November term in this city. He announced yesterday, however, that he would make as many speeches in the campaign this fall as his official duties will permit. Major Anderson will apply to the State committee for appointment to the stump in the campaign at Staunton on Saturday. Major Anderson is one of the most effective speakers on the stump in the State.

Mr. Witt Tomlinson, who has been connected with the Blju Theatre ticket offices for some time, will be in charge of the sale of tickets for the Horse Show. Seats engaged for the show will be set aside this week, and they will be regularly placed on sale next week at headquarters. Already all the boxes except two or three balcony boxes have been sold, and advance orders have been received for more than one thousand reserved seats. The dates for the show are October 18th to 23d, inclusive, and all the performances will be in the evening, save one matinee, scheduled for the 22d. The management proposes to open the show on Tuesday night, the 18th, with one of the most complete and attractive programmes of the entire week.

She has engaged the stables occupied last year by Dr. W. E. Woodend, of New York. She has forty entries. Most of these are harness horses, and some of them were seen here last year. Mr. J. T. Farnham, of New York, has made a number of entries in the pony classes, and will make a fine showing with his string of little ones.

## JUNIORS APPEAL.

## Supreme Court Asked to Review

## Plea for an Injunction.

An appeal has been granted by the Supreme Court of Appeals in the case of the rival factions of the Junior Order of United American Mechanics. The appeal is from the decision of Judge Daniel Grinnan, of the Henrico County Court, which was in favor of the State branch or successors from the national organization. The division in the Order occurred over the refusal of certain State councils to pay the assessment of the National Council. The Henrico County Court refused to deliver to the National Council the money and property in its possession. The State body secured a legislative charter and has since operated thereunder. The National Council and its adherents have since been operating in the State and the competition between the two is bitter. The insurgents outnumber the loyal faction about three to one in the State. The National Council sought to enjoin the State branch from the use of the name, but the injunction was refused. From this the appeal is taken.

## ASK FOR RECEIVERS.

## Company Apply to Federal Court.

A bill in equity was filed yesterday at the clerk's office of the Federal Court in this city by Leake and Carter, associate counsel for the Central Trust Company, of New York, to appoint receivers for the Metropolitan Passenger and Power Company, the Bowling Green Company, and the Metropolitan Street Railway Company, of New York. The complaint prays the court to name a receiver or receivers for the companies and to grant an injunction in the case.

This suit will come up before Judge Waddill soon. For other matters in the event he does name receivers, it is likely they will be Messrs. Northrop and Wickham.

The city in this case will be to confirm the action of the Federal Court in taking jurisdiction of this matter. In the event the State courts have also been asked to act and have in fact named Mr. George Cameron, Jr., receiver.

Miss Mary Custis Lee, president of the Home for Needy Confederate Women, has written Mrs. A. J. Amagoo, State vice-president of the National Association of Women, a letter from Marlborough, where she is now stopping, asking that provisions be made if possible for an old lady, the widow of a member of her father's staff.

The letter warmly praises the helpless widow, who is one of the best families of the State. Mrs. Montague will do all in her power to get the applicant in the State.

Miss Lee expressed a deep interest in the future of the Home, and trusts that her future may be very bright. She sends her best wishes to the Governor and ex-husband, and says that she will work hard for Parker, so that she may see another Democrat presiding over the destinies of the nation.

Doing Everything Possible to Elect Wyszor Over Slomp. Heavy Mails.

But Gates People Declare They Will Stand by Him for Council.

Democratic headquarters is a busy place these days. Messrs. Buton and Brennan with a pair of typewriters and a great stack of documents are kept busy sending campaign literature broadcast throughout the State. Hundreds of pounds of speeches of congressmen and copies of the election and registration laws are being sent out every week, the bulk amounting to almost a hundred pounds a day.

State Chairman J. Taylor Ellyson returned from Franklin, in Southampton county, whether he went on other than political business. He will be in the city this afternoon, and will be actively directing the campaign. Mr. Ellyson and his associates at headquarters are working industriously and intelligently to give Parker and Davis a large majority in Virginia, and to secure the election of a solid Democratic delegation in Congress.

Every congressman may count in the fight for the control of the House of Representatives which it is admittedly very close. The chief effort in this State is to elect Hon. J. C. Wyszor over Slomp in the Ninth District.

Among the visitors at headquarters yesterday were Major J. W. Johnston, of this city; Hon. D. C. O'Flaherty and Judge W. E. Holmes, of Boydton. Major Johnston called to secure some literature and is actively supporting Parker and Davis. Mr. O'Flaherty called to place his services as speaker at the disposal of the committee. Judge Holmes called to pay his respects.

## Are Growing in Interest.

The revival services which are being held at Laurel Street Methodist Church this week are growing with increasing interest and are attracting large congregations at every service.

Dr. Johnson, pastor, has charge of the service and is preaching forthright sermons. The views used to illustrate the "Holy Spirit" and much interest was manifested.

Mr. N. Farmer, a sweet singer of Norfolk, is assisting in the singing. Last night he sang two solos with great effect and made a deep impression on the congregation.
